

Fun course to explor this town by bicycle. It' s 10 km long.

Starting from the ground of shrine next to this house, going through old castle town, reaching to Haginohama beach, and then again going through back route of town, and running on breakwater road, and after little climbing anincent hill road past the 48 stone budda, reaching finally Shiga' s oldest shrine, Shirahige Jinja, and go back to the house through the road alongside Otomegaime Pond. I am sure you will enjoy this course which has numorous views.
