

Parking location

There is no signage at the entrance to the parking lot. Please refer to this photo. (This is a picture of going from the house.)

It is at the far end of the parking lot, on the mountain side. **The sign above is posted at the parking location.**

* If you come by more than two cars, please park the second car or more in the coin parking lot shown in the diagram above. There are two places. Fee is both 300 JPY for 24 hours.
